

5 ON 5 SOCCER (425) ISC 2020 ONLY ELIMINATION/PERFORMANCE EVENT

Teams

The game is five-a-side, but each squad may include 1 substitute (total 6 players).

Time

A match is comprised of two 10-minute halves. If a game is a draw, one five-minute period of extra time ensues followed by a penalty shoot-out should the scores remain level.

(The official rule is two 20-minute halves, but ISC 5 on 5 Soccer is only one of the 100+ events. We make it shorter to allow more games in a tight schedule.)

Referees

Two officials oversee the action: one on either touchline and one to control fouls and time-outs.

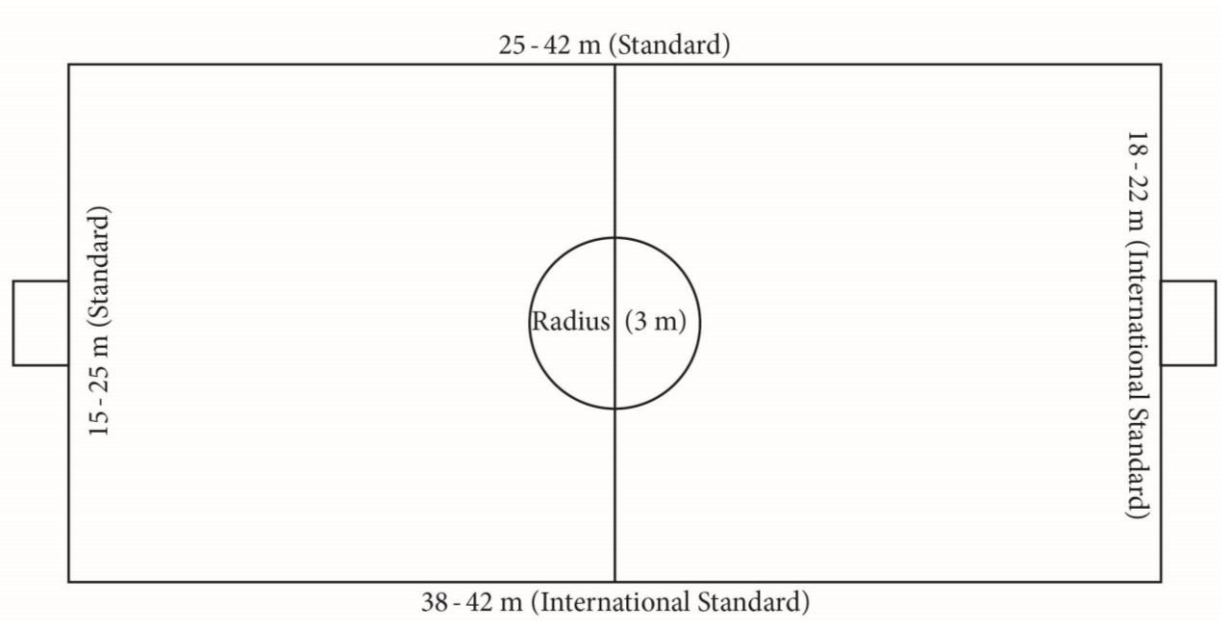

Kick-in

Play resumes with a kick-in if the ball crosses either touchline (but not the goal line) or hits the ceiling. Goals cannot be scored directly from a kick-in.

Court Size (1/2 Field)

The length of the futsal court is between 25–42 m (82–138 ft.).

The width of the futsal court is between 15–25 m (52–82 ft.).

Goal Size

The distance between the posts is 3 meters, and the height from the ground to the horizontal bar is 2 meters.

Above are the simplified rules. For more details about the rules, please check:
