

## BIBLE BOWL (217) – ISC 2020 ONLY

1. Each team, consisting of three (3) to five (5) members, will be given official answer sheets on which to write their answers. Only answer sheets provided by School of Tomorrow/A.C.E. are to be used. Each team needs to bring pens/pencils.
2. One proctor and a number will be assigned to each team. (Each team should come with a coach or sponsor.)
3. Questions will be read twice and will flash on the screen. The teams may start writing their answer(s) while the question is being read.
4. A time limit of 5 seconds will be given. Countdown will begin after the second reading and will end with a signal.
5. All pencils/pens are to be raised when the time limit signal is given.
6. The answer(s) to the question will then be read and will flash on the screen.
7. The proctor will raise the team's number if the question is answered correctly. Proctors, please raise the number only if the team's answer is the exact one.
8. Wrong spelling is considered a wrong answer.
9. If the proctor or the team members feel the answer could be considered correct, the proctor must raise his/her hand to be permitted to approach the judges for consideration **after the team numbers of those who have exact answers have been called and awarded points.** The team members have the right to ask the proctor assigned to them to request the judges' consideration of their answer.
10. Questions, contentions, and requests for consideration must be directed to the panel of judges and will be entertained only during the contest proper.
11. The judges' decision is final.
12. Questions, contentions, and requests for consideration will **NOT** be entertained after the winners have been declared.
13. Each team will be given one point for each correct answer.
14. All teams compete in the same room at the same time.
15. After 35 questions, the six (6) teams with the highest points will be identified.
16. In case of a tie, tie-breaker questions will be given for ranking purposes only. "Sudden death" will decide the outcome.
17. ANSWER SHEETS. After the last question, the proctor must write the score and the team number on the designated areas of the answer sheets and sign his/her name. The answer sheets will be collected with the number cards.
