GAME ZONE EVENTS LIST FOR 2019

This year’s International Student Convention will once again feature a host of “Game Zone” events. These events are open to ALL participants attending International Student Convention and do not require Regional Convention qualification or preregistration. Competitors sign up at International Student Convention (on site) and compete during “free time.” Competition will be divided by gender (when applicable).

All Game Zone event competitors must conform to the dress and appearance guidelines for similar event categories. Competitors who violate the dress and appearance guidelines will not be permitted to compete in any competition.

No official events will be rescheduled due to conflicts with Game Zone events. All Game Zone events entry submissions become the property of A.C.E. **All *Student Convention Guidelines* will apply for Game Zone events.**

SCRABBLE®: Individual competition

This event will be run by the standard rules of Scrabble as they appear in the box. All games will be a one-on-one competition. All cases of disputed words will be verified by the judge using the *Thorndike Barnhart Advanced Dictionary*. The highest score of the day is awarded the medal.

BRAIN TEASERS: Individual competition

Students will individually use their cognitive thinking skills to solve problems, complete puzzles, and answer riddles. Each problem, puzzle, and riddle will be given a specific point value. Students will complete as many projects as they can in a predetermined amount of time. Different projects will be available on Monday, Tuesday, and Wednesday. The student with the highest total score will win that day’s competition.

TREASURE HUNT: Group competition (male and female)

Students competing in teams of three to five members will sign up at a designated location and receive specific instructions and their clues. Each clue will lead them to more clues. The team that finds the treasure in the shortest amount of time wins the competition. New hunts will begin on

Monday, Tuesday, and Wednesday. Individuals forming a team are not required to be from the same school or homeschool.

SCRIPTURE DETECTIVES: Individual or group competition (male and female)

Students competing in teams of one to three members read a story with a mystery to be solved at the end. Clues are given along the way in which Scripture verses reveal the answer. The team who completes the most mysteries in the shortest amount of time wins the competition. New sets of mysteries will be available on Monday, Tuesday, and Wednesday. Individuals forming a team are not required to be from the same school or homeschool.

THREE-ON-THREE VOLLEYBALL: 3-on-3 competition (male and female)

Team consists of a minimum of three to a maximum of six members from the same school or homeschool group to compete. Individual homeschool students may join with other students to make a team. Teams must be all male or all female—no mixed teams. Male teams will compete against other male teams, and female teams will compete against other female teams. Male and female teams shall be awarded separately. Students may not compete in more than one team. Matches consist of a single game ending when a team scores a 21-point minimum and ahead by 2.

Please note: Three-On-Three Volleyball is open to individuals who ARE NOT on a volleyball team competing at ISC.

BASKETBALL HOTSHOT: Individual competition (male and female)

Students test their skill in 3 areas: lay-ups, free throws, and 3-point shots. Students have 2 minutes to shoot from any of the 3 specified areas. Each completed basket counts as 1 point for a lay-up, 2 points for a free throw, and 3 points from behind the 3-point line. Winners are determined by the highest score. Male and female will be scored separately.

THREE-ON-THREE BASKETBALL: 3-on-3 competition (male and female)

Teams consist of three to five team players from the same school/homeschool group. Individual homeschool students may enter either a team of all homeschool students or join with students from a school to make up a team. Teams must be all male or all female—no mixed teams. Male teams compete against other male teams, and female teams compete against other female teams. Male and female teams will be awarded separately. The games will be played on an outdoor half-court. Each completed basket is worth one point. The first team that reaches ten points wins the game.

Please note: Three-On-Three Basketball is open to individuals who ARE NOT on a basketball team competing at ISC.

SOCCER: Group competition (male and female)

Teams consist of seven to ten players from a school or homeschool. Individual homeschool students may enter either a team of all homeschool students or join with students from a school to make up a team. Male teams compete against other male teams, and female teams compete against other female teams. A school or homeschool may not enter more than one team. No more than seven players may be on the playing field at any time. Each game shall consist of two fifteen-minute halves with a break of two minutes between the halves. All other normal soccer rules apply. Male and female teams will be awarded separately.

Please note: Soccer is held on Wednesday, 1–3 p.m. only.

BOWLING: The competitions will not be available at the 2019 ISC.
